#### NOTE 1

##### Proposed programme of study

If you are applying to more than one department, complete a separate application form per department. Further forms can be obtained from the appropriate School office or may be downloaded at [www.kcl.ac.uk/pgpapp](http://www.kcl.ac.uk/pgpapp). A student may not register concurrently at King's and at another college/university without the special permission of the College's Academic Council.

#### NOTE 2

##### Language

At King's you will be taught/instructed in English therefore we need to know your current level of fluency in English. If English is not your first language and you have taken an English language examination, please give details and enclose a certificated photocopy of the test result. If you do not have the required level, any offer of a place at the College may be subject to your taking an English test (IELTS or TOEFL) before admission and/or attending one of the College's English language courses. Refer to the prospectus for English language requirements and details of the English language courses or contact the department to which you are applying.

#### NOTE 3

##### Referees

- The references must be written on official headed paper and returned to you in the envelopes.
- The references are confidential, therefore the envelopes must be sealed and signed across the seal by the appropriate referee before they are returned to you. Send them to us with your completed application form.

Although the College normally returns documents, it cannot guarantee to do so, nor can it accept responsibility for any loss or damage to them.
